

**UNITED STATES DISTRICT COURT  
DISTRICT OF NEVADA**

\* \* \*

ARTHUR LEE GARRISON,  
Plaintiff,  
v.  
WOOD, *et al.*,  
Defendants.

Case No. 3:19-CV-0188-MMD-CLB

**ORDER RE DISMISSED CASE**

10 Plaintiff Arthur Lee Garrison filed a document with this Court concerning his  
11 ongoing medical issues. (ECF No. 50.)

12 On August 25, 2020, the parties entered into a binding settlement agreement to  
13 resolve this case. (ECF No. 25.) The binding terms of that settlement were placed on the  
14 record following the settlement conference. (*Id.*) On September 3, 2020, the parties filed  
15 a stipulation to dismiss this case with prejudice. (ECF No. 27.) The stipulation was granted  
16 by the Court and this case was dismissed, with prejudice on September 8, 2020. (ECF  
17 No. 28.) Thereafter, the Court held two status conferences to ensure the terms of the  
18 settlement were performed. (See ECF Nos. 32, 36.)

19 On April 30, 2021, Garrison filed a document which the Court construed as a  
20 motion to enforce settlement. (ECF No. 48.) The Court denied Garrison's motion and  
21 advised Garrison that if he "believes a breach of contract [of the settlement agreement]  
22 has occurred, he may choose to file an action in state court." (ECF No. 49.)

Garrison has now filed a document which appears to concern either ongoing or new medical claims. (ECF No. 50.) This case is closed and will not be reopened. The time to file an appeal has passed. To the extent Garrison is arguing new medical claims he may proceed by filing a complaint to open a new action. If Garrison is attempting to argue that Defendants breached the settlement agreement, he may file an action in state court.

1 No further filings will be accepted in this closed case.

2 **IT IS SO ORDERED.**
